Re: Uniform for Sept, current YR – Y10

Dear Parents/Carers

Please find attached a reminder of the style guides for the College uniform. We realise that students may have grown out of some items and those moving to Year 9 change from red Key Stage 3 jumper to black Key Stage 4 jumper. GHCS legacy uniform is still allowed but should be fully replaced by September 2021.

Shopping for September uniform is, as usual, via the on-line shopping service on the Emblematic website: <https://emblematic.co.uk/schools/ccs-online/>

Please note that due to COVID-19 restrictions there will **not** be an opportunity for sizes to be on display or tried on at College this year. There is a comprehensive guide and film clips explaining the fit of each item to assist parents/carers in measuring and selecting sizes <https://emblematic.co.uk/size-guides>. The website also has information about the 'sturdy' range of trousers, available on special request, which offer a slightly more generous cut.

Emblematic have given guidance on delivery times and suggest items for wear in September **must be ordered before 4th August 2020**. They are currently offering **free delivery on items placed in June and July 2020**.

We strongly recommend the purchase of name tags for all items including shoes. Iron on versions on clothing may also be secured by sewing for a more durability. Name tags are available from Emblematic and many online haberdashers.

We currently await further guidance and information from the Department of Education regarding the wider opening of schools and if it is advised for students to wear their full day uniforms. It might be, as with wider opening for the specified year groups (YR, Y1, Y6 and later Y10), we need to use the College sports kit as replacement day uniform.

We will ensure parents/carers continue to receive specific information by email regarding wider-opening and uniform as soon as we are able to do so. General updates are contained within the weekly College newsletter.

We offered a free re-badging service for the red lapel trimmed GHCS blazer at two points during this academic year. If you have missed these opportunities for any reason and would like to enquire about the service, please contact enquiries@christcollege.org.uk. Please note, older style GHCS blazers can't be included in this service as the design does not allow for re-badging.

Yours sincerely

Miss R Crockatt
Vice Principal
